Re: Microsoft Corp. v. Motorola Mobility, Case No. C10-1823-JLR

Dear Chris:

On a teleconference on June 11, 2013, you referenced a June 5 letter from Mr. Harrigan to Mr. Palumbo and asked about the release of the bond put in place during the preliminary injunction phase of this case, indicated that Microsoft wished to approach the court on this issue, and asked whether Motorola would oppose that request. So that we can better understand your request, could you explain the timing of this request and why Microsoft seeks at this point in the case to release the bond before the proceedings are complete?

Very truly yours,
